NEWSLETTER

FALL 2025

## Message from the President—Betty Hall

Greetings Pontius cousins,

What a wonderful time in Worcester, Massachusetts. Joan Pontius did an amazing job organizing this reunion with all the obstacles she had to deal with. I split the weekend into two parts: a “fun” part and a “C” part.

The “fun” part was the Reunion and seeing all of the cousins again. We had some new attendees, and they were a great addition. It was so nice to hear all the laughing that weekend. Everyone seemed to be enjoying themselves.

Speaking of laughing, I admit to being one of those people who only smile politely at “Dad jokes,” but Dave Bongorno had me laughing out loud. I never realized how talented our group was. We ran out of time with people showing their talents and interests to the group. My son and I also loved looking at all the weirdly spelled town names along the way. I wonder if they had some meaning or someone just put a bunch of letters together (such as Sterrettania).

The “C” part was in the 1,166 mile trip from Iowa to Worcester. “C” is for: The Cost of transportation—I lost count on how many toll booths we went thru. (FYI...New York alone took in over a billion dollars in highway tolls last year); Cops—They must have been on overtime as many as we saw; Construction—We could have saved some serious time if we had not been slowed down by all the construction zones; and Clock for change in time zones—The first night, I thought I was getting up in the middle of the night but could not go back to sleep. Unfortunately, I woke my son up. Later, I found out that I turned my clock the wrong direction so I was 2 hours off on what time I thought it was.

In 2026, we will be back closer to home for me. Mitzi Schwertfeger is hosting in Vandalia, Illinois July 16<sup>th</sup> to the 18<sup>th</sup>. I hope to see you all there and meet more new relatives.

Archivist – Micheal Pontious

Bridge Builder Editor – Joan Pontius

Bridge Builder Proofreaders – Mitzi Schwertfeger & Mark Wehr

Chaplain – Rita Christman

Corporate Agent – Nancy Budrevich

Facebook Administrator – Karl Lowe

Newsletter Editor – Bobbie Bongorno

Parliamentarian – Harry Pontious

Photographer – David Bongorno

Webmaster – Bobbie Bongorno

Melody Pontious moved to accept the appointments and Harry Pontious seconded the motion.

All were in favor and the motion carried.

## 2. Officer Reports

- \* Secretary Report – Joan Pontius – Minutes of July 18, 2024 in Fall Newsletter #125

Melody Pontious moved to accept the Minutes. Henry Pontius seconded the motion. The motion carried.

- \* Treasurer Report – Bobbie Bongorno – The costs of postage, newsletter and Bridge Builder are going up, and income is down.

Our website fees are the only expenses that were lower than last year. We came out ahead on last year's reunion due to the generous raffle participation.

We renewed our \$10,000 CD, and we received \$439.60 interest. Our I-Bond is worth \$11,052 as of 6/30/25. The Cemetery Fund balance is \$4,701.72 with no expenditure from July 2024-June 2025. We mailed 3 newsletters, including the revised Bylaws, and one Bridge Builder. We also had an expense this year for printing new checks.

This year we had postcards printed with the Pontius crest to be sent from the Reunion to members who were not able to attend. We paid \$50 for 100 postcards (50 cents each), and it costs \$61 cents each to mail within the USA.

- \* Senior Vice President – Denise Millard reported on upcoming meetings:

2026 Host Mitzi Schwertfeger at Vandalia, IL on July 16, 17, 18, 2026

2027 Host & location needed

2028 Host Mark Wehr at Mifflinburg, PA July date TBA

- \* Membership Report – Nancy Budrevich & Bobbie Bongorno Ideas for new members:

Each Board Member suggest a new member

We could create a map of the USA with a dot for every member so we can see clusters.

Our Membership Application is being printed in each Newsletter.

When a new member joins, they receive a welcome packet which includes a welcome letter, our recent Newsletter, a complimentary past Bridge Builder, the Bridge Builder Catalog, Ahnentafel Chart and Family Group sheets (to be completed and sent to our Archivist), and a Third Party Contact Form.

Bobbie reviewed memories of members who passed away 2023-2025

\* Cemetery Report – Mark Wehr

A mailbox has been set up at the Mifflinburg Cemetery with information pamphlets about the PFA, so that people can reach out to us if they want to.

The Cemetery Committee will be deciding what kind of monument to have created and where to put the cenotaph for Nicholas Pontius. A “Cenotaph” commemorates a person who may be buried elsewhere or whose burial location is unknown.

Mark is contacting a local stone work company in Pennsylvania for a quote. The Committee will make the decisions: Mark Wehr, Harry Pontious, and Karl Lowe, consulting with our Archivist, Micheal Pontious.

3. Committee Reports

\* Newsletter & Website Administrator – Bobbie Bongorno

We need members to submit articles, interesting and fun to read.

Micheal Pontious, our Archivist, requested that the two genealogy forms that he wants people to complete (The Ahnentafel Chart and the Family Group Sheet) be added to our website and this has been done.

\* Audit Committee – Jan Hamilton and Keith Bruder were both absent. Rachel Currie and Phillip Pontious performed the audit and reported all was in order. David Reno moved to accept the Audit. Denise Millard seconded. The motion carried.

\* Bridge Builder – Joan Pontius

Send Joan ideas as a Word Doc and images as separate files. She needs writers to assist in writing several articles she received from Harry Pontious. Marcelle McMillen and Christine Branson were suggested as possible helpers for writing articles.

\* Archivist – Micheal Pontious is researching Pontius family members. Files have over 29,000 entries. They have increased because of new members and their numbers being researched. Micheal and his sister Melody Pontious are working on an Excel spreadsheet to track the PFA numbers for all the members and ancestors. This will be passed on to the next Archivist when Micheal is no longer doing the Archivist job.

Member Ron Weeks (M\*-11143222) brought up a problem with the “M” numbers. Micheal explained that there are now three lines that begin with “M.”

Mathias (1680) – stayed in Germany. Member Guenter Pontius was from this line.

Mathias (1856-1902) who came to USA in 1882.

Maria (1725-1801) who came to the USA with her brothers Johannes and Nicholas.

Micheal is working on how to give PFA numbers that will keep these “M’s” differentiated.

The book that Rudi Pontius wrote tracks the five lines of Pontius’s from the German side and has information on the Mathias’s. (See highlights from Rudi’s book on our website: [pontiusfamilyassociation.org](http://pontiusfamilyassociation.org))

Micheal and his brother, Harry Pontious, were researching Anna Rosina who was the wife of Johan Peter Pontius, who was the father of Johannes, Nicholas, and Maria. Did she reach the US? Die in Germany? Philadelphia? They would welcome additional information if anyone has any.

\* Facebook Administrator – Karl Lowe

Karl posts German trip pictures. Others can go to Pontius Facebook site and add information. Karl will check to be sure it is appropriate for our site. If Karl receives requests for genealogy information, he forwards them to Micheal Pontious.

Beth Bongorno volunteered to be co-Facebook Administrator.

Carol Pontious suggested that Karl add our website address to our Facebook page. Karl said it is already listed there.

\* Legacy Program – Betty Hall Members will volunteer to share 15 minutes of interesting facts and memories about a family member at our reunion. Last year, Christine Sturgis and Ginger Bruder gave interesting talks. This year, Mitzi Schwertfeger is to present information about George G. Pontius. Legacy Committee is Betty Hall, David Reno, Wendy Wehr.

## Message from the Editor—Bobbie Bongorno:

We want to thank Joan Pontius and David Reno for hosting our wonderful reunion in Worcester, Massachusetts, this summer. Besides getting the opportunity to learn about Worcester and visit Boston, we had a lot of fun with Joan’s idea to have the Saturday evening entertainment be “us”. The PONTIUS GOT TALENT SHOW was a great success. So many wanted to participate that we ran out of time. Hopefully, we will be able to continue with some more special performances at next year’s reunion.

Thank you also to all those willing to serve on our Board or accept committee positions. We need volunteer involvement to continue our great organization.

We love to share information about our members with each other. Please send anything you would like to share to me before January 5, 2026, if you would like it included in the next newsletter which will be mailed in the winter. It makes our newsletter much more interesting.

## BRIDGE BUILDER Editor—Joan Pontius:

If anyone has interesting stories or genealogy about a family member, send the information to Joan and she can help write the article. She asks that the article be sent in a word document, not to send a PDF file. Please send any photos separately.

Send to [Joanpontius@yahoo.com](mailto:Joanpontius@yahoo.com) or mail to 4879 Manor Lane, Ellicott City MD 21042-6119.

If you have questions, please call Joan at 443-963-4403.

## **MESSAGE FROM THE ARCHIVIST by Micheal Pontious:**

There are 36 PFA members that have partial or no PFA ID numbers. That is 12 percent of the membership. If you have a PFA ID number, it will be above your name and address on the Newsletter. If those members would like to have a PFA ID number determined, fill out a Family Group sheet and a modified Ahnentafel (Ancestors) sheet and send them to me, either paper or digital. On the Ahnentafel sheet, fill in as much as you can. I may or may not have you in the PFA Family tree database. The forms can be found on the Pontius Family Association web site, [pontiusfamilyassociation.org](http://pontiusfamilyassociation.org), or I can send them to you. Even if you are not related to Johannes, Nicholas, or Marie, I would still like to get you into the database. I will try to have your PFA ID numbers by the next newsletter.

For me to generate PFA ID numbers, I need to have as much information on siblings, parents, aunts, uncles, grandparents, great aunts, great uncles as far back as possible. I will then search the records for confirming information and additions. Once I am confident, I will then generate the ID number.

The PFA family tree currently has 29,380 people. The increases are due mainly to researching PFA ID numbers and adding a few new members.

**Update from Life Member Deb Wadman** N-1222(10)2\*33 of Hustisford, Wisconsin.

Bruce and I continue to be busy volunteering at our local food pantry. We did manage to take time off last fall to cruise the southern Caribbean, and we spent the month of March in Arizona.

Fall of 2024 was an exciting time for another reason. The Slinger High School football team for which our son, Michael is the defensive coordinator, went undefeated for the season and won the state championship. It was so fun watching it all unfold, especially with the grandchildren. They are at practice with the father quite often and, therefore, know the team members and other coaches quite well. The head football coach, and good friend of our son, was later named the state and then the national high school coach of the year by the NFL!

Our grandchildren are growing like weeds and keep us busy with their sports. We have games to watch almost year round as they play football, basketball, lacrosse and baseball. All three are on travel ball teams this summer so we keep busy going to watch games, and sometimes providing rides for one of them when the other two are playing in other places at the same time.

Earlier this spring, we road the train up to the Twin Cities to visit our daughter, who lives up there. It was a really nice way to travel; so much easier than driving! I think we will go by train a lot more often now. If you haven't traveled by train before, I would encourage you to give it a try.

***Debra and Bruce joined the PFA in 1997. They hosted the 2007 PFA Reunion in Fond du Lac, WI.***

David said that Gunter enjoyed telling them stories about traveling to the USA. David also said some of his memories of his grandfather were the way he picked him up from school, took walks in nature, and the hours they spent woodworking together in Gunter's workshop. Marilyn Hughes died June 18, 2025, at the age of 85. Born on May 7, 1940, in Des Moines, IA. Marilyn was preceded in death by her parents Howard and Clara Pontious; son, Lloyd Hughes, Jr.; ex-husband, Lloyd Hughes; and her brother Eli (Bud) Pontious.

She is survived by her daughter, Pamela Hughes; three brothers, two sisters, and their spouses plus Bud's spouse, and extended family that she discovered when she joined the Pontius Association. She enjoyed spending time with family, especially at reunions.

Marilyn was shy as a young girl, yet she had a mischievous streak throughout her life. People are often surprised to discover Marilyn was a biker babe as a young woman with her own motorcycle. She and her husband were members of a motorcycle club, and their young children were often passengers. When her second child, her son, was born; the doctors told her he would never walk or talk and not live very long. As a dedicated mother, she made many trips to University Hospital for treatment and testing. She advocated for services, including education, for her son so he could develop to his highest potential. He walked and talked just fine until an accidental fall caused a head injury that led to his death at age 62, just two years ago.

Friends were always a very important part of Marilyn's life. After retirement, she was diagnosed with Alzheimer's and later with Parkinson's. In the last year and a half, Marilyn received assistance from two hospice organizations. The picture on this obituary was taken at the end of a hospice music therapy session just a few weeks before she passed. When she smiled, her whole body shined and sparkled. She also had a way of looking up with a sparkle in her eye when she was being mischievous.

Marilyn spent only a few days in the hospital during her life and never lived in a nursing home. She passed the way she wanted to; peacefully in her own bed at home, in no pain, while listening to country music hymns.

*Marilyn (J-916332) joined the PFA in 1992 and was a Life member.*
